

LIFE SKILLS
REIMAGINED

Welcome to
Life Skills Reimagined!

A new way to learn the
critical life skills
you need to be self-sufficient.

Learner Approved!

Life Skills Reimagined is the newest, most innovative online life skills program available. Learner feedback was included at every step of the program design and development. In a survey of more than 500 foster youth ages 16-22 who completed the program:

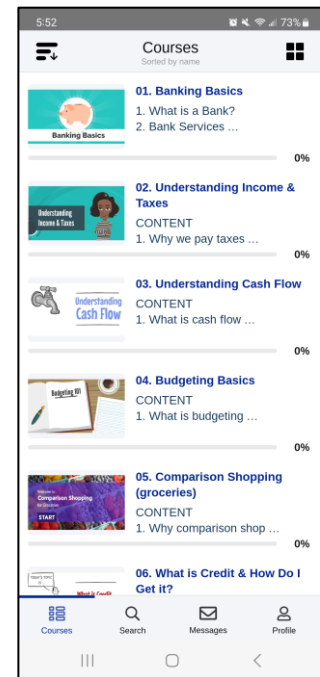

95%
Would recommend
it to others

and

They averaged a
50% increase
in their confidence to live
independently.

With Life Skills Reimagined, you'll

- Access courses online on a computer or on a phone or tablet through the mobile app.
- Have your own login and dashboard.
- Watch animated videos and complete one page Application Guides and other workbooks.
- Have discussions about what you learned.
- See your progress, earn points and badges.
- Create Action Plans to continue to improve your skills.
- If you use the mobile app, you can download modules and complete them offline.
- If you have physical impairments or speak Spanish, there are built in supports to help you along the way.
